DOPE DISPENSERS UP AGAINST IT

Unable to Find Sale for Their Wares in City of Los Angeles.

Los Angeles, Cal., Dec. 31.—Nothing in reference to betting on horse races, tips as to probable winners or matter that in any way gives a comparative estimate of horses that have run or are to run in any race may hereafter be published in any newspaper or pamphlet placed on sale within the corporate limits of Los Angeles.

This affects not only the Los Angeles daily newspapers and tip publications, but the San Francisco newspapers sold here and any other publications giving tips and racing news relative to the betting. It also probably will cause the prohibition of the daily form chart as gotten out by the racing association.

Such, in effect, is the order issued by Guy Eddie, city prosecutor, last night, so to go into operation today. Eddie will notify all the publications doing business here, and inform the managements that violations will be prosecuted. He said it might take him two or three weeks to work up the evidence if there were violations of the city ordinance, but that prosecutions surely would follow.

GOLD MEDAL FOR CHAMPION

Joe Maddock's One to Youngster

Winning Greatest Number of Points in State Meet.
Joe Maddock has decided to start off the new year by creating more interest in high school athletics if possible. He said yesterday that he will give a gold medal to the high school athlete who wins the greatest number of points in the high school state track and field meet this year. This medal will be emblematic of the individual championship of the year in high school track athletics and will be the first of the kind ever offered. Joe says he believes that secondary school boys in the country schools who can make more than an even break of it with the city school boys if they would get out and work as hard as the city boys do. He hopes the medal will be an incentive for the best young athletes in the state to enter the meet and try to win it.

AMUSEMENTS

Max Fignar in "The Substitute" was the bill at the Salt Lake theatre last evening. The play is steadily improving.

Mr. Fignar (and he is no spring chicken at that), and he improved his reputation as a comedian last evening.
The farce is generally clever and interesting, and the company is good. Agnes Everett did an especially good piece of character work as Esther, the loyal, straight-laced and unattached loyal woman who cooks for the parson.
The house was especially large and dressy, and the play met with an enthusiastic reception.
"The Substitute" will run the rest of the week, with matinees both this afternoon and tomorrow.

It was a well pleased audience that left the Grand last evening at the conclusion of the performance of "Thelma" by the George Scott company. Mr. Scott, as Mr. Philip Bruce, Erminston, and Miss Dorothy Mark, as Thelma, were at their best, both of them giving a careful performance, and they were well supported. Between the acts several vaudeville numbers were introduced that were pleasing. A holiday matinee is announced for this afternoon, when the ladies will receive a New Year's gift.

"The Devil," at the Colonial theatre, drew another large house last night. A matinee and night performance will be given today.

The management of the Lyceum had a large and enthusiastic audience last night, when they entertained the residents of Salt Lake to the number of about 300, to witness "Too Proud to Beg." It runs today and tomorrow, with matinees both days.

The Orpheum had a big holiday attendance last evening. The bill is good and the usual crowds are expected today.

The Lyric will without doubt secure its share of the New Year's crowd. The popularity of the house grows steadily. The good ventilation and spacious auditorium render the largest crowd comfortable. New opera chairs are being installed in the balcony, which will make that the most desirable part of the house.
